BLM CAMPING OPPORTUNITIES IN THE MOAB AREA

(for additional information: http://www.blm.gov/ut/st/en/fo/moab/recreation/campgrounds.html)

Individual sites are not reservable. All BLM sites have non-flush vault toilets. Drinking water is available at Lions Park at the south side of the pedestrian bridge. In addition, <u>Windwhistle and Hatch Point have drinking water on site</u> (from mid-April through the end of September). All BLM sites have a two vehicle limit, and are equipped with a picnic table and metal fire grill. Campgrounds have graveled roads and on-site trash service. Camping Areas have dirt roads; trash service is available for camper use at the nearest BLM campground.

BLM Group Sites are available by advance reservation (group sizes of 8 or more only) at Big Bend, Goose Island, Upper Onion Creek, Lower Onion Creek, Goldbar, Lone Mesa and Windwhistle Campgrounds. Please call the BLM at (435) 259-2100 for reservations; additional information about each of the group sites is available on the website listed above.
